James Moore is the CMC Epic Clarity Report Team Lead at Community Medical Centers - Corporate Information Systems Department where he has worked for the past 4 years.

James graduated with a Business Administration degree with an emphasis in Computer Information Systems Major from the Craig School of Business at California State University, Fresno in 2011.

James will present on the project processes for the clinical analytical reporting team at Community Medical Centers Corporate Information Systems Department. How the team delivers timely business and clinical data to their end consumers. James will discuss his team's implementation of a structured process to ensure their team can deliver needed reports in an efficient, repeatable and sustainable reporting environment for a customer base that includes 4 hospitals, 70 clinics, and over 550 Employees.

We will host this meeting Community Medical Centers – Community Administration Support Building located at 1140 T. Street near Community Regional Medical Centers. This is where Corporate Information System's Office and Datacenter is housed. The meeting will be in their 2nd Story Conference Rooms. Parking is free but entry into the building is contingent upon pre-registration per standard CMC security policies

Meeting Co-Sponsored by...

The **Central California Valley Chapter (CCVC)** in Fresno is your local chapter for the **Project Management Institute (PMI)**. This education event is conducted as an opportunity for local project managers and professionals of all disciplines to network and learn new tools & techniques. Certified PMPs and CAPMs will earn **1 PDU** for attending this meeting.
