Project Pitfalls to Avoid!

with Guest Speaker Shahab Saadipour

Shahab Saadipour

Topic Description - When navigating through project phases, from Initiating through Closing there are minor simple steps we cannot afford to miss or we will have to pay the price - BIG TIME! In this presentation we will go over some of these steps, and review some famous examples of project failure and surprising statistics on project management.

Bio - Shahab is a Project Manager at Stantec with over 10 years experience, in the Oil and Gas Industry. He has also worked in other industries including Automotive Manufacturing, Food and beverage in capacities such as Project Control Engineer, Mechanical Engineer, Project Engineer and Project Manager. He became a PMI member in 2012 and has been an active volunteer for the PMI Bakersfield branch of the PMI California Central Valley Chapter since then. Currently, he is the Director of the Bakersfield branch.
