Darrick Duerksen is the Director of the Clinical Systems Group in Community Medical Center’s Corporate Information Services Department. In his role Darrick oversees a staff of over 60 professionals who support all of Community Medical Center’s clinical applications.

Darrick has been involved in healthcare technology for 40 years on both the vendor and hospital side. He has held numerous positions ranging from programmer to Chief Information Officer. During this time Darrick has participated in the phenomenal growth of technology and the significant changes in healthcare.

“Successfully Implementing Healthcare Technology in a Rapidly Changing Environment”

Darrick will be sharing with us his experience and insight on the dynamics of implementing healthcare technology and the factors that contribute to a successful implementation.

DeVry University

7575 N. Fresno St., Fresno, CA 93721

The **Central California Valley Chapter (CCVC)** in Fresno is your local chapter for the **Project Management Institute (PMI)**. This education event is conducted as an opportunity for local project managers and professionals of all disciplines to network and learn new tools & techniques. Certified PMPs and CAPMs will earn **1 PDU** for attending this meeting.
